

# LUPIN LIMITED

## SAFETY DATA SHEET

### Section 1: Identification

#### Section 1, Identification

<b>Material</b>	<b>MIBELAS 24 Fe</b> <b>[norethindrone acetate and ethinyl estradiol tablets USP</b> <b>(1 mg/20 mcg), and ferrous fumarate tablets]</b>
<b>Manufacturer</b>	Lupin Limited Pithampur (M.P.) – 454 775 INDIA
<b>Distributor</b>	Lupin Pharmaceuticals, Inc. 111 South Calvert Street, Harborplace Tower, 21st Floor, Baltimore, Maryland 21202 United States Tel. 001-410-576-2000 Fax. 001-410-576-2221

### Section 2: Hazard(s) Identification

#### Section 2, Hazard(s) identification

<b>Fire and Explosion</b>	Expected to be non-combustible.
<b>Health</b>	<p>Do not prescribe Mibelas 24 Fe to women who are known to have the following conditions:</p> <ul style="list-style-type: none"><li>• A high risk of arterial or venous thrombotic diseases. Examples include women who are known to:<ul style="list-style-type: none"><li>• Smoke, if over age 35</li><li>• Have deep vein thrombosis or pulmonary embolism, now or in the past</li><li>• Have cerebrovascular disease</li><li>• Have coronary artery disease</li><li>• Have thrombogenic valvular or thrombogenic rhythm diseases of the heart (for example, subacute bacterial endocarditis with valvular disease, or atrial fibrillation)</li><li>• Have inherited or acquired hypercoagulopathies</li><li>• Have uncontrolled hypertension</li><li>• Have diabetes mellitus with vascular disease</li><li>• Have headaches with focal neurological symptoms or have migraine headaches with aura<ul style="list-style-type: none"><li>○ All women over age 35 with migraine headache</li></ul></li></ul></li><li>• Liver tumors, benign or malignant, or liver disease</li><li>• Undiagnosed abnormal uterine <i>bleeding</i></li><li>• Pregnancy, because there is no reason to use COCs during pregnancy</li><li>• Breast cancer or other estrogen-or progestin-sensitive cancer, now or in the past</li></ul>

**Environment**

No information is available about the potential of this product to produce adverse environmental effects.

### Section 3: Composition/Information on Ingredients

**Section 3, Composition/information on ingredients**

<b>Ingredients</b>	<b>CAS</b>
Norethindrone Acetate USP	51-98-9
Ethinyl Estradiol USP	57-63-6

### Section 4: First-Aid Measures

**Section 4, First-aid measures**

<b>Ingestion</b>	If conscious, give water to drink and induce vomiting. Do not attempt to give any solid or liquid by mouth if the exposed subject is unconscious or semi-conscious. Wash out the mouth with water. Obtain medical attention.
<b>Inhalation</b>	Move individual to fresh air. Obtain medical attention if breathing difficulty occurs. If not breathing, provide artificial respiration assistance.
<b>Skin Contact</b>	Remove contaminated clothing and flush exposed area with large amounts of water. Wash all exposed areas of skin with plenty of soap and water. Obtain medical attention if skin reaction occurs.
<b>Eye Contact</b>	Flush eyes with plenty of water. Get medical attention.

**NOTES TO HEALTH PROFESSIONALS**

<b>Medical Treatment</b>	Treat according to locally accepted protocols. For additional guidance, refer to the current prescribing information or to the local poison control information center. Protect the patient's airway and support ventilation and perfusion. Meticulously monitor and maintain, within acceptable limits, the patient's vital signs, blood gases, serum electrolytes, etc.
<b>OVERDOSAGE</b>	There have been no reports of serious ill effects from overdose of oral contraceptives, including ingestion by children. Overdosage may cause withdrawal bleeding in females and nausea.

### Section 5: Fire-Fighting Measures

**Section 5, Fire-fighting measures**

<b>Fire and Explosion Hazards</b>	Assume that this product is capable of sustaining combustion.
-----------------------------------	---

<b>Extinguishing Media</b>	Water spray, carbon dioxide, dry chemical powder or appropriate foam.
<b>Special Firefighting Procedures</b>	For single units (packages): No special requirements needed.  For larger amounts (multiple packages/pallets) of product: Since toxic, corrosive or flammable vapors might be evolved from fires involving this product and associated packaging, self-contained breathing apparatus and full protective equipment are recommended for firefighters.
<b>Hazardous Combustion Products</b>	Hazardous combustion or decomposition products are expected when the product is exposed to fire.

## Section 6: Accidental Release Measures

### Section 6, Accidental release measures

<b>Personal Precautions</b>	Wear protective clothing and equipment consistent with the degree of hazard.
<b>Environmental Precautions</b>	For large spills, take precautions to prevent entry into waterways, sewers, or surface drainage systems.
<b>Clean-up Methods</b>	Collect and place it in a suitable, properly labeled container for recovery or disposal.

## Section 7: Handling and Storage

### Section 7, Handling and storage

<b>Handling</b>	No special control measures required for the normal handling of this product.  Normal room ventilation is expected to be adequate for routine handling of this product.
<b>Storage</b>	Store at 25° C (77° F); excursions permitted to 15 to 30° C (59 to 86° F) [see USP Controlled Room Temperature].  Keep this drug and all drugs out of the reach of children.

## Section 8: Exposure Controls/Personal Protection

### Section 8, Exposure controls/personal protection

Wear appropriate clothing to avoid skin contact. Wash hands and arms thoroughly after handling.

## Section 9: Physical and Chemical Properties

### Section 9, Physical and chemical properties

#### Physical Form

Mibelas 24 Fe is available in cartons (NDC 68180-911-13) containing three pouches, each pouch containing a wallet of 28 tablets (NDC 68180-911-11).

Each wallet contains 28 tablets in the following order:

- 24 white to off white, round, flat face beveled edged (active) chewable tablets debossed with "LU" on one side and "N81" on the other side, and each containing 1 mg norethindrone acetate and 20 mcg ethinyl estradiol.
- 4 brown mottled, round, flat face beveled edged (non-hormonal placebo) tablets debossed with "LU" on one side and "M22" on the other side, and each containing 75 mg ferrous fumarate. The ferrous fumarate tablets do not serve any therapeutic purpose.

## Section 10: Stability and Reactivity

### Section 10, Stability and reactivity

Stable under recommended storage conditions.

## Section 11: Toxicological Information

### Section 11, Toxicological information

#### Carcinoma of the Reproductive Organs and Breasts

Mibelas 24 Fe is contraindicated in women who currently have or have had breast cancer because breast cancer may be hormonally-sensitive.

There is substantial evidence that COCs do not increase the incidence of breast cancer. Although some past studies have suggested that COCs might increase the incidence of breast cancer, more recent studies have not confirmed such findings.

Some studies suggest that COCs are associated with an increase in the risk of cervical cancer or intraepithelial neoplasia. However, there is controversy about the extent to which these findings may be due to differences in sexual behavior and other factors.

## Section 12: Ecological Information

### Section 12: Ecological Information

No relevant studies identified.

## Section 13: Disposal Considerations

### Section 13: Disposal Considerations

Incinerate in an approved facility. Follow all federal state and local environmental regulations.

## Section 14: Transport Information

### Section 14: Transport Information
