Voting at the EGM:

Pursuant to Rule 20 (4) (xii) of the Companies (Management and Administration) Amendment Rules, 2015, for the purpose of ensuring that Members who have cast their votes through remote e-voting do not vote again at the EGM, after closure of period of remote e-voting, I referred the list providing details relating to Members who have cast their votes through remote e-voting, such as their names, folios, number of shares held by them.

At the venue of the Extra-ordinary General Meeting, the Company conducted voting through Ballot Paper for those members present in the meeting but could not participate in the remote e-Voting to record their votes.

Process of scrutiny and counting of votes exercised thru ballot paper:

- One ballot box kept for the purpose of casting of votes was locked in my presence with due identification marks placed by me.
- After the voting at the EGM was concluded, the locked ballot box was subsequently opened in my presence and in presence of two witnesses, and ballot papers were diligently scrutinized. The ballot papers, which were incomplete and / or which were otherwise found defective have been treated as invalid and kept separately.
- The Votes were reconciled with the records maintained by the Company with respect to the authorizations / proxies lodged with the Company.
- I unblocked the remote e-voting results on the Link Intime e-Voting platform before Mr. Vimal Ashar and Ms. Shruti Bhatia who acted as witnesses, as prescribed in Sub Rule 4(xii) of the said Rule 20 and downloaded the e-voting results.
