

Rajeev Sibal
President – India Region Formulations

Rajeev leads Lupin's formulations business for the Indian subcontinent and spearheads sales and marketing for Lupin's branded generics, trade generics and OTC products. He was also instrumental in setting up Lupin Diagnostics.

A seasoned pharmaceutical professional with more than three decades of experience, Rajeev has earlier held leadership positions at Glenmark and Ranbaxy.

Rajeev is a science graduate with certifications from Michigan State University, USA, and Indian Institute of Management - Ahmedabad and Calcutta, India.
