Y ADMINISTRATIVA, S. C.**

**Report of the Auditors Independent to the shareholders
of Lupin Mexico, S.A. de C.V.**

Opinion

We have audited the accompanying financial statements of Lupin Mexico, SA de CV, which comprehend the statement of financial position as of March 31, 2021 and the statement of comprehensive income, changes in stockholders' equity and cash flows corresponding to the period from April 1, 2020 to March 31, 2021, as well as a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present reasonably, in all its important aspects, the financial situation of Lupin Mexico, SA de CV, as of March 31 of 2021, as well as its results and its corresponding cash flows from April 1, 2020 to March 31, 2021, according to the Mexican Financial Information Standards.

Opinion's Basis

Our audit was performed according to the International Auditing Standards. Our responsibilities under these standards are described with further details in the "Responsibilities of the auditors in relation to the audit of the financial statements" of our report. We are independent from the Entity according to the Professional Ethics Code of the Instituto Mexicano de Contadores Publicos, A.C., and we have fulfilled our other ethic responsibilities in conformity with these requirements. We consider that the audit evidence we obtained is enough to provide a reasonable basement for our opinion.

Responsibilities of the management and the govern managers in relation to the financial statements.

The management of the company responsible of the elaboration and reasonable presentation of the financial statements attached in conformity to the Mexican Financial Information Standards, as well as the inner control that it consider necessary in order to allow the elaboration of financial statements free of significant errors, whether because of fraud or error.

In the elaboration of the financial statements, the management is responsible of evaluating the capacity of the company to continue as a Business in progress, revealing, as appropriate, the related issues, unless the management proposes to liquidate the Company or cease their operations, or if it doesn't have another alternative more realistic to do it.

The govern managers of the Company, are responsible of supervising the elaboration process of the financial reports of the same.

Responsibilities of the auditors in relation to the audit of the financial statements

Our objectives consist of obtaining a reasonable security about whether the financial statements are free of material errors, whether because of fraud or error, and to emit an audit report that contain our opinion. Reasonable security is a high-level security, but is not guarantee that an audit is realized according to International Auditing Standards it will always detect material errors if they exist. Mistakes can surge because of fraud or error and are considered materials if, individually or together, it can be expected reasonably that they will influence the economic decisions of the users, taken on basis of the financial statements.

During the realization of an audit in conformity to the International Auditing Standards, we apply our professional judgment and we maintain an attitude of professional skepticism. Likewise, also:

We identify and evaluate the risks of material misstatement in the financial statements, whether for fraud or error, design and apply audit procedures to respond to those risks, and obtain audit evidence sufficient and adequate to support our opinion. The risk of not detecting a material error resulting from fraud is higher than one resulting from unintentional error, as fraud may involve collusion, forgery, deliberate omissions, intentionally misleading statements or circumvention of internal controls.

We obtain an understanding of the internal control relevant to the audit, in order to design audit procedures that are appropriate to the circumstances, and not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

We evaluate the ownership of the accounting policies applied and the reasonableness of the accounting estimates and the corresponding information disclosed by the Administration.

We evaluate whether it is appropriate for the Administration to use the presumption of business in progress to prepare the financial statements and whether, based on the audit evidence obtained, there is material uncertainty regarding events or conditions that generate significant doubt about the ability to The Company to continue as a going concern. If we conclude that there is material uncertainty, it is required that we draw attention in our audit report to the corresponding information disclosed in the financial statements or, if those disclosures are inadequate, that we express a modified opinion. Our findings are based on the audit evidence obtained so far from our audit report. However, future events may cause the Company to cease to be a going concern.

We evaluate the overall presentation, structure and content of the financial statements, including the disclosed information, and whether the financial statements represent the underlying transactions and events, making a reasonable presentation. We communicate to the Company's officers, among other matters, the scope and timing of the audit and the significant findings of the audit, as well as any significant deficiencies in internal control that we identified in the course of our audit.

Note 1 - Activity of the Company

The Company was incorporated on August 17, 2010, its main activity marketing in general, manufacture, sale, distribution, export, import and purchase of all kinds of chemicals, pharmaceutical chemistry, analytical chemical reagents, reagents for clinical diagnosis, bacteriological reagents, insecticides, cosmetics and the like, as well as the purchase of equipment for clinical and laboratory use.

Note 2 - Basis of preparation

Mexican Financial Reporting Standards (NIF)

The accompanying financial statements as of March 31, 2021 and March 31, 2020 fully comply with Mexican Financial Reporting Standards (MFRS), to show a reasonable presentation of the Company's financial position. The NIF establishes that International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), Interpretations of International Financial Reporting Standards (INIIF) and the interpretations committee are all part of the NIF, when the absence Of NIF so requires. Accordingly, in order to recognize, value and disclose its own transactions, the Company applies IAS-18 "Income from ordinary activities", effective as of January 1, 1995, issued by the International Accounting Standard Board (IASB).

Reporting, functional and reporting currency

Pursuant to the provisions of NIF B-15, the Company has identified the following currencies:

<u>Type</u>	<u>Currency</u>
Registration	Mexican Peso
Functional	Mexican Peso
Report	Mexican Peso

Effects of inflation on financial information

Under the provisions of MFRS B-10 "Effects of inflation", from January 1, 2008, the Mexican economy is in a non-inflationary environment, when cumulative inflation of the last three years below 26 % (maximum limit to define that an economy should be considered as inflationary), therefore, from that date recognizing the effects of inflation on financial information was suspended. Consequently, the figures as of March 31, 2021 and March 31, 2020 of the accompanying financial statements are presented in historical pesos.

Approval of financial statements:

The accompanying financial statements and notes were authorized for issuance on April 5, 2021, by Dr. Luis Guillermo Cortes Peláez, Managing Director.

Note 3 - Summary of significant accounting policies

The following significant accounting policies are summarized more, which have been applied consistently in the years presented, unless otherwise specified.

IFRS require the use of certain accounting estimates in the preparation of financial statements. It is also requires management to exercise its judgment to define the accounting policies applied by the Company.

a. Cash and cash equivalents

Cash and cash equivalents include bank deposits with low risk for changes in value.

b. Accounts receivable

Accounts receivable represent amounts due from third parties for services not received. (See Note 4).

c. Taxes in favor

This account represents the amount in favor of the Company for federal and / or local contributions, such amounts are recognized from the date of the statements. As of March 31, 2021 and March 31, 2020 the balance of this account relates to Value Added Tax Recoverable.
